The track events were categorized into two sub events – Short sprints and Long Distance. The star of the short sprint events was Desmond Lopez of Cassim House who won 3 gold medals. Cassim were off to a good start and augmented its lead over the other three houses in the days which followed. Mudaliar was keen on grabbing second place but Morarjee kept the pressure on them because of their successive wins in both 3000m and 5000m long distance running. Anjesh Joshi from Morarjee house stood first in both the events. On the last day, Cassim finished first, Morarjee and Mudaliar both, stood second with equal points and Master house finished at the bottom. The scenario was no different on the field as Cassim swept most of the events on the opening day. Javelin throw and Triple jump, both competitions went their way. They stood third in the long jump event. The second day seemed promising as Mudaliar brought out their best to equalize their points with Cassim. The last event of the day, High Jump, was won by Cassim house which meant Mudaliar fell to second place, 2 points adrift of the leaders. At the same time, Morarjee was facing tough competition from Master house for the third spot as both houses fought to maintain their lead over the other in the field events.

On the third day, Morarjee, due to their flamboyant performance on the track, assured their spot ahead of Master house. Cassim finished first in the field events. Unprecedentedly, Mudaliar house was disqualified in the 100m sprinting event which took place earlier that morning which meant they finished an overall second and Cassim house got their hands on the cup with a spectacular display of athleticism.

1.) Crew Saved from Typhoon-Battered Cargo Ship

Fourteen crew members of Chinese cargo ship Hao Jun were airlifted to safety from the sinking vessel by a Hong Kong-based helicopter rescue services. The vessel started taking in water having lost power about 20 kilometers southwest of Macau as the typhoon signal Number 8, dubbed the Kalmaegi, was sweeping through the area.

According to China’s Government Flying Services, waves of up to 10 meters bashed the cargo ship, as the crew was readying to abandon the vessel. Extremely difficult wave and wind conditions hampered the rescue operation, which took an hour to complete, the Flying Services said. The crew was reported safe, however it is unknown whether the vessel sank or remained adrift.

2.) BW Orders LNG Carriers

BW Group, a global maritime company involved in oil and gas transportation, floating gas infrastructure, environmental technologies and deepwater production, has signed shipbuilding contracts with Daewoo Shipbuilding and Marine Engineering Co. Ltd. (DSME) for two liquefied natural gas (LNG) carriers plus options for additional vessels on September 17, 2014.

3.) India Readying for LNG Carriers

India’s plans to restructure its shipbuilding sector by venturing into construction of more complex ships will see an investment into Cochin yard worth USD 442 million (Rs 1,200 crore).

The investment will be assigned for building a dry-dock for LNG ship construction, according to India’s shipping minister Nitin Gadkari.

4.) IMO Kicks Off 67th MEPC Meeting
